The Calgary Catholic School District (CCSD) is proud to provide a complete range of programs, services, and exciting learning opportunities to enhance the knowledge, talents and abilities of your child.

Kindergarten

All CCSD elementary schools offer a kindergarten program. Depending on total kindergarten enrolment, schools may offer a choice of morning or afternoon classes on a first-come, first-served basis. The district offers full-day kindergarten at 22 schools. To register, children must turn four years old on or before March 1, 2011. Your child's birth certificate should be presented at the time of registration.

Grade 1

To register in Grade 1, children must turn five years old on or before March 1, 2011. The child's birth certificate and one parent's Catholic baptismal certificate should be presented at the time of registration. Children who are already attending kindergarten do not need to re-register for Grade 1.

French Immersion

Children may enter CCSD's Early French Immersion program in kindergarten or Grade 1. No background in French is necessary to enter the program, which is offered at 10 elementary schools across Calgary.

International Spanish Academy

Children may enter the International Spanish Academy program in kindergarten or Grade 1. The program is located at John Paul II School, St. Benedict School and St. Margaret School.

Year-Round Education

Currently two elementary schools offer a modified calendar. Kindergarten and Grade 1 entry are available at Monsignor Neville Anderson School and Our Lady of Fatima School.

Single Gender Education

Sacred Heart School offers a Single Gender program that allows for differentiated instructional strategies and structures that are well-suited to aspects of male and female learning differences. This model also allows students to come together for certain school activities and learning opportunities.

Special Education Needs

Children with special education needs should be registered at their local school, which is the first contact for special education needs information, support and advice.
